

"Memorandum for potential Green Cross National Organisations"

Dear Madam, Sir,

Thank you very much for your interest in Green Cross International.

Please bear in mind, that in order to become part of the Green Cross network, the local affiliate will have to fulfil the following initial requirements:

1- **Financing:** Green Cross National Organisations need to be financially self-sustainable. The GCI Headquarters does not provide financial support to its national affiliates.

2- **Projects:** in addition to your local projects you will need to participate in at least one of the GCI international programmes:

- Conflict Prevention (Water for Life and Peace; Access to Water Services; Right to Water Campaign; Smart Energy, UN WaterCourses Convention);
- Consequences of War and Conflicts (Legacy; SOCMED; Post- War Environmental Analysis);
- Value Change (Environmental Education, Earth Dialogues, Earth Charter);

3- **Staff:** proven field experience as well as management skills. Local connections with national foundations and/or government agencies are an asset in order to get the necessary support for your activities.

Please check our website www.gcint.org for additional information.

Should your profile correspond to the above criteria, please download, complete and send the Questionnaire to gcinternational@gci.ch for due consideration, with mention in the subject line "Application for GCNO status".

We thank you for your attention and look forward to hearing from you.

Yours faithfully,

Green Cross International
