THE EARTH CHARTER IN ACTION

CAPACITY BUILDING FOR EDUCATION FOR SUSTAINABLE DEVELOPMENT IN COSTA RICA

The Earth Charter International Center on Education for Sustainable Development offers:

A one-week intensive program on Education and Values for Sustainable Development with the Earth Charter:

Teaching What Really Matters

- Expand your knowledge in Education for Sustainable Development (ESD) through the Earth Charter UNESCO Chair
- Learn to build capacity for your ESD programs using Earth Charter Principles and pedagogical tools
- Become a catalyst and leader for ESD in your community, program, or organization

Dates: 20 to 24 January 2014
Where: In Costa Rica
